1. Apologies

Request for leave of absence was received from Drs. Siddharth Shah – Mumbai; Charu K. Jani – Mumbai; Leave of absence was granted to them.

2. Condolences

Hon. General Secretary Dr. Mangesh Tiwaskar informed about the sad demise of Drs. V. Parameshwara, Anup Bhattacharya - Kolkata and Dr. A. V. Shetty, Mangalore.

Two minutes silence was observed in memory of the departed soul.

The General Body authorized Hon. General Secretary to send a suitable resolution to the family members of the departed soul.

3. Confirmation of the minutes of the 6th January 2020 Annual General Body Meeting of ICP at Agra.

The minutes of the 31st ICP General Body meeting held at Agra on 6th January 2020 which was circulated gone through page by page and passed pages No. 5 to 8 were passed proposed by Dr. R. R. Choudhary and Seconded by Dr. M. E. Yeolekar - Mumbai.

4. Business arising out of the minutes.

Nil

5. To consider the 32nd Annual Report of the ICP.

Dean Dr. Shashank Joshi read the Dean's report, In 2020 when we all met at Agra for the 75th APICON we never imaged that a small tiny RNA virus SARS-coV-2 would invade our lives and change it permanently. Now we have three eras - BC - Before Covid-19, DC- during Covid-19 pandemic and AC - After CoVid-19 pandemic. Currently we will remain in DC for a while with a high probability that coVid-19 will be endemic. The Jaipur venue has moved to 2022 but learning in the new age e-medicine has no barriers. Technology has allowed us to suddenly work from home except hospital-based care. Chronic medical care and office practice moved into a digital mode and virtual platforms have suddenly sprung up. However, issues related to transparency, confidentiality and data protection especially in a third-party space still need clarity. Indian government also launched a huge national digital health mission and e-Sanjeevani app. coVid had 'Aryogya Setu' and now the 'co-win app' which all have being going through their learning curves. At API, ICP and PRF we revamped our website and the traffic on it showed an exponential rise. Digital CMEs became the order of the day and Tele consultation Guidelines in each domain are evolving rapidly. Each domain of medicine including critical care has an e-mode and remote connectivity has become a reality.

ICP we could not do our rural CMEs and CMEs in the medical schools which we had planned but I am sure our Dean Elect, Dr. Rajesh Upadhyay will allow us to continue our mission. ICP is actively now working on the following areas psychiatry for clinicians, diabetes, Thyroid, coVid-19, critical care and Reversal and prevention of NCDS like diabetes, Hypertension, coronary artery diseases especially via lifestyle has become very necessary. Adapting modern technology, artificial intelligence one can create digital health care ecosystems and deliver health care at home. Home based health care has become a standard now but eventually as we move into a vaccine mode in dc era hybrid models of care in health will evolve. Lifestyle is the key with clinical nutrition; physical activity, yoga as well as the Indian physicians needs to recognize the Indian systems of medicine. Integrating ancient and traditional systems of medicine in an evidence-based way is the new mantra.

In pandemic times often science gets outpaced by rumors and social media fake news but the physician community was at the frontline reviewer to distinguish real evidence-based facts from non-facts. Living in uncertainty, facing the unpredictable and fighting hardship I complement all my fellow brothers and sisters in health care and front line for risking their lives for the larger public good in times of this disaster. I bow down and pray to almighty to all our brothers and sisters who lost their lives during coVid-19 times that they attain sedate, peace and their families can cope up with the grief.

6. Any other business that may be brought before the meeting with the permission of the chair.

Dr. YP Munjal informed to bring this notice of the general body that few of doctors had not only conducted various meetings but being there in position in the Government and advising them about the pandemic and their untiring efforts in trying to educate not only the Doctors but also the public in various parts of the country through the media or television and for this unique efforts he liked to complement to Dr. Shashank Joshi for doing this excellent work which should go as a part of the minutes of the activities of the ICP this current year. Wishing and praying for the good health of Dr. Siddharth Shah wished Dr. Shashank Joshi should continue the same with the team for API to come up.

Dr. RR Choudhary congratulated Dr. Shashank Joshi and his team for organizing such a wonderful e-program (e-apicon) and requested to continue

the same virtual program in 2022 at Jaipur and also simultaneously, so that large number of communication will be reduced it can be benefited.

Dean – elect Dr. Rajesh Upadhyay informed that it's a valid suggestion, we pledged to the Organizing Secretary, Jaipur APICON, we are mostly likely to have physical meetings but we must also continue to have virtual mode going on simultaneously and it may be useful for the members who do not want to attend physically and they can have completely reach to the proceedings of the meetings. It was also suggested that for such virtual mode the cost of Registration can be reduced so that more members will alien with us in gaining the knowledge and the learning process.

7. Installation of Dean for 2021 - 2022.

Padmashree - Dr. Shashank R. Joshi, the outgoing Dean invited Dr. Rajesh Upadhyay on the dias and installed him as the Dean of ICP (2021-2022) Dr. Shashank Joshi thanked the fellows for their support given to him during his tenure as Dean. He also introduced Dr. Shashank Joshi informed that he had a great pleasure to hand over the Deanship and prestigious mediation to Dr. Rajesh Upadhyay, who is dynamic new Dean.

Dr. Rajesh Upadhyay thanked all the fellows and informed that it's a matter of great honour and privilege to give charge as the Dean, Indian College of Physicians. I am following the footsteps of several sternwards and we will do our very best to justify that you have chosen us.

Chairman, Dr. S. Arulraj Welcomed Dean, Dr. Rajesh Upadhyay and his team (Faculty Council) congratulated him.

Dean, Dr. Rajesh Upadhyay welcomes newly elected members also. He also invited on zoom dias his Joint Secretary Dr. Ghanshyam Pangtey.

All the Fellows congratulated new team.

The meeting ended with a vote of thanks to the Chair.

Dr. Shashank R. Joshi
Dean – ICP

Dr. Mangesh Tiwaskar
Hon. General Secretary

3. Dr. Ashis Kumar Saha, *Kolkata*
4. Dr. S. V. Kulkarni, *Raigad*

MASTER TEACHER WILL BE AWARDED 2022

1. Dr. D. K. Shrivastava, *Patna*
2. Dr. S. G. Kulkarni, *Aurangabad*
3. Dr. Udit R. Narang, *Ambala*
4. Dr. R. Chandni, *Kozikoda*
5. Dr. P. K. Jain, *Jhansi*

ICP Dean's Annual Report (2021-2022)

The ICP remains committed for promotion and facilitation of medical education for physicians and particularly Post Graduate Students. The adversity due to COVID infection was converted into an opportunity with virtual educational programs and PG Masterclasses conducted nationwide on a regular basis. The classes have been overwhelmingly appreciated and has been a great value for Post Graduate Students. More than 150 virtual programs have been conducted till date. On an average about 200 to 250 students are attending the classes each time. The Masterclasses have provided a great opportunity to present clinical cases which adds value in preparation for their examination.

South zone /South Mid Zone conducted 52 classes till date with an estimated >15000 logins recorded. These are being conducted under the leadership of Dr Narsimulu and Dr Palaniappan.

West Bengal and North East – conducted weekly classes every Sunday under the leadership of Prof MK Roy and Dr Jyotirmoy Paul. Another highlight was the 1st Annual Conference of ICP-WB on 26th November 2021 in hybrid mode with resounding success and attendance of more than 350 delegates.

Bihar conducted a number of educational programs and held 10 PG Masterclasses under the leadership of Dr Kamlesh Tiwary and Dr D P Singh.

Rajasthan- Under the Leadership of Dr. K K Pareek , Dr Girish Mathur and Dr. Sanjeev Maheshwari, has held a number educational programs and conducted regular PG classes. A very important and popular Virtual 2 Day workshop on “Ventilatory management of ARDS patients” was conducted in collaboration with Critical Care Foundation. The programme was a huge success with more than 300 participants. Another highlight has been an interactive training for final MBBS students for awareness of 3rd wave of COVID-19 on 3rd August-2021 and a workshop on “Virtual Medical Education” by the editor New Indian Journal of Medicine on 16th September-2021.

Delhi has also been at the forefront in ICP educational programs and have been regularly conducting programs successfully. We are now conducting fortnightly PG Masterclasses with overwhelming response and have conducted 6 classes till date. Dr NP Singh, Dr DG Jain, Dr MPS Chawla, Dr Atul Bhasin deserve

my special thanks for making the program successful Dr R M Chhabra has also taken a keen initiative in conducting various other programs.

Telangana under the leadership of Dr Narsimulu and Dr Udai Lal was the first to start for ICP programs during my tenure and conducted the first ICP CME “Care beyond Glucose control in Hypertension and diabetes mellitus” on 27 March, 2021, in Hyderabad. They also conducted a hybrid ICP-CME on 9th Oct 2021 “Body of Knowledge“ which was very successful with more than 300 participants.

A number of other programmes were also conducted at different locations. Dr. Shashank Joshi conducted a very popular virtual programme on “COVID 2.0- Mind and Body” in May-2021. Dr. N K Soni has conducted 6 programmes including “Evidence Based Certificate Course on Insulin Therapy” done in 5 modules from 12th September to 10th October 2021.

Mumbai: Dept of Internal Medicine, Jupiter Hospital-Indian College of Physicians ICP CME:

Date: Saturday 23rd February 2022

Venue: Hotel ITC Fortune, Jupiter Hospital Campus

Timings: 9am to 5:40pm

Theme: Medicine for the Clinicians, By the Clinicians

Audience registered and attended: 175

MMC credit point: Two

Monographs:

5 Monographs have been approved and will be released during the APICON 2022 at Jaipur.

1. Inflammatory Myositis- Dr. R N Sarkar, Kolkota
2. Nutrition in Diabetes – Dr Ashok Taneja, Gurugram
3. Non-communicable pulmonary diseases: How to prevent – Dr D P Singh, Bhagalpur

4. Gastro Oesophageal Reflux Disease - Dr Ajay Kumar (Delhi)
5. Thyroidology - Dr. Sujoy Ghosh

Fellowships:

38 Applications have been approved for Fellowship and approved by Credential Committee.

The fellowships will be awarded at the Convocation to be held during APICON -2022 in Jaipur.

Outreach Programs:

API - ICP you-tube channel:

You tube channel of API-ICP has been finalised and due to be launched at the APICON-2022.

8-10 best programs from all over the country will be uploaded every month so that we increase our outreach and students can directly put their questions to experts and get their doubts cleared.

Postgraduate Masterclasses with SAARC countries:

With a great effort by Dr Jyotirmoy Paul, the Masterclasses with SAARC countries is already underway. Four countries India, Nepal, Bangladesh and Sri Lanka are participating . The first class was held on 13th Feb 2022 with enthusiastic response from the neighbouring countries. The classes are going to be held monthly and will go a long way in popularising ICP in SAARC countries.

APICON 2022 CME program:

This will be held on the first day of the conference i.e. 14th April ,2022.

>200 lectures, 8 Symposia, CPC, and 6 workshops will be held in 7 lecture halls and 3 workshop halls. A large number of dignitaries, foreign speakers and eminent national faculties will be deliberating on contemporary topics.

Progress in Medicine:

The book is in print under the patronage of Dr Y P Munjal, the Editor-in-Chief – Dr. Rajesh Upadhyay, Editors- Dr. Anupam Prakash and Dr Ghanshyam Pangte

and with foreword written by Prof A K Das. It has 118 chapters written by eminent and learned authors and covers all latest development in the field of Medicine. I hope it will be a great knowledge bank for all practising physicians.

Acknowledgment:

Lastly, I would like to thank my mentor Dr. Y. P. Munjal for all his help and guidance. My special thanks to Dr. Pritam Gupta, Dr. Ghanshyam Pangte & Dr. Anupam Prakash for their support and help in conducting all our activities. My sincere thanks to our President Dr. Kamlesh Tewary, Dr D P Singh Dr. K. K. Pareek, Dr. Girish Mathur, Dr Sanjeev Maheshwari, Dr. Jyotirmoy Pal, Dr. M. K. Roy, Dr. Palaniappen, Dr Narsimulu, Dr N P singh, Dr D G Jain, Dr MPS Chawla, Dr Atul Bhasin for organizing the Master classes. Last but not the least I thank Dr. Shashank Joshi my predecessor, Dr Alka Deshpande, Dean Elect and Dr. Mangesh Tiwaskar for their encouragement.

On a final note, I would like to emphasise that this has been a landmark year for ICP for starting and successfully implementing the PG Masterclasses. We also initiated the joint SAARC Masterclasses and launched the API-ICP you tube channel for disseminating Medical Education while significantly extending our outreach programmes.

Jai API, Jai ICP
